Bus Ministry Agreement: Missions To Go

The Etowah Baptist Missions Center is excited to be partnering with your church through our Bus Ministry. Our prayer through this ministry is that your church will come together in unity to reach out to your community to help those in need of food and clothing. This is a great outreach and hopefully relationships will build and those who are not in church will visit.

Please read the following instructions before signing the agreement.

Our Part: The Missions Center will be bringing the bus to your church filled with food boxes and clothing. There will be a staff person on board to help with any questions. The distribution is usually 2 hours on a Saturday morning.

Your Part: You will need to have plenty of people volunteer to help with distribution.

- People to take information
- People to pray with those who are in need of prayer (evangelism)
- People to escort through the bus for clothing
- People to help distribute food boxes

We ask that you open your church or fellowship hall to those coming so there will be a place to take information, restroom availability, privacy for prayer, shelter from the weather...

If you can, have Bibles and tracks available for distribution, if not we can provide them. Please have information about your church available for them.

We ask that you allow one of our staff or Volunteers to come and share with your church what will take place so they will be prepared. We would like to schedule this at least one week prior to coming, two would be better. It can be either a Wednesday night or Sunday night.

You may want to advertise in your community so people will know what is going on.

A donation to help with the fuel cost and maintenance of the bus would be greatly appreciated although not required.
